

| $\alpha$ | Top Value | Bottom Value | Rightmost Value |
|----------|-----------|--------------|-----------------|
| 0.0      | 4,42      | 3,49         | -               |
| 0.1      | 4,17      | 3,20         | 8               |
| 0.2      | 4,01      | 3,03         | 5               |
| 0.3      | 4,08      | 2,99         | 10              |
| 0.4      | 4,20      | 3,08         | 11              |
| 0.5      | 4,38      | 3,30         | 11              |

Technical drawing of a three-poster bed frame. The drawing shows three vertical posts connected by a horizontal rail. Dimensions are indicated in millimeters (mm):

- Overall height from the floor to the top of the posts: 2,70 mm.
- Height from the floor to the top of the horizontal rail: 2,50 mm.
- Distance between the centers of the posts: 76 mm.
- Distance from the center of a post to the center of the horizontal rail: 14 mm.
- Height of the base plate from the floor: 90 mm.
- Angle of the base plate: 90°.
